Dark Justice (Dark Justice Series) Dianne Cooper

Dark Justice, by Pamela O'Hara writing as Dianne Cooper, is a dark, gritty, and heartbreakingly honest account of one woman's journey through the Federal Penitentiary system. While continuously proclaiming her innocence, Cooper is manipulated by both the judicial system and street code honor to play by the rules, which leads to a forty year prison sentence. Written in the author's own street-wise voice, Dark Justice is the first book of a series that walks the reader through the painful experience of leaving children and family behind to begin a journey that will change her life forever.
