**El árbol de oro. José Revueltas y el pesimismo ardiente (Spanish Edition)** Philippe Cheron

Al ser la versión corta de la tesis doctoral de Cheron titulada *La prison dans l'oeuvre de José Revueltas: résistance et critique*, esta obra está dividida en tres partes: "El árbol de oro del arte", "Nocturno de la cárcel" y "La espiral del eterno empezar" que basadas en testimonios textuales conformados por ensayos, cartas y demás documentos históricos, exponen a la par el pensamiento crítico de Revueltas y su producción literaria. El árbol de oro. José Revueltas y el pesimismo ardiente desarrolla de manera clara y precisa la relación estrecha que mantuvo Revueltas con el contexto histórico en que vivió: su ideología política dentro del Partido Comunista Mexicano, la experiencia carcelaria que lo marcó profundamente y su estética literaria.
