Health Promotion in Midwifery: Principles and Practice

Helen Crafter

Health Promotion in Midwifery: Principles and Practice Helen Crafter

Midwives fulfil a major health promotion role in both the hospital and community settings, yet there are currently no specific texts available for them on this subject. Health Promotion in Midwifery explores the role of the midwife as a Health Educator, focusing on relevant models, the factors which influence health and topics including midwifery ethics, communication, counselling, the media and assertiveness.
