# La cultura. Chile (1880-1930) (Spanish Edition)

*Isabel Torres Dujisin*

**La cultura. Chile (1880-1930) (Spanish Edition)** Isabel Torres Dujisin

Un completo panorama de la vida cultural e intelectual, que en este período estará condicionado por dos aspectos económicos con efectos directos en los cambios culturales: el triunfo en la guerra del Pacífico y la consiguiente incorporación de extensos territorios salitreros, de descomunales fortunas.

La colección **América Latina en la Historia Contemporánea** es uno de los proyectos editoriales más importantes de las últimas décadas y una aportación original y novedosa a la historiografía sobre América Latina en la que han participado más de 400 historiadores de diversos países. Presenta una visión plural y accesible de la historia contemporánea de las naciones latinoamericanas -incluyendo aquellas otras, europeas o americanas, que más han aportado a su materialización- y revela las claves políticas, sociales, económicas y culturales que han determinado su trayectoria y el lugar en el mundo que hoy ocupan.

## **Distinciones:**

Premio de la revista *La Aventura de la Historia* a la mejor iniciativa editorial
