Six Little Miracles: The Heartwarming True Story of Raising the World's First Sextuplet Girls Janet Walton

Janet had been told she couldn't have children, so she and her husband Graham were overjoyed to find out she was pregnant. Then they told it was not just one baby, but *six!*

On 18 November 1983, Janet Walton gave birth to the world's first all-female sextuplets: Hannah, Lucy, Ruth, Sarah, Kate and Jennie.

Janet takes us through the reality of parenting six children of the same age – the extreme sleep deprivation, the bottle-feeding, and later the chaotic routine of getting six girls to school on time. As they grew up, Janet learned to keep a sense of humour through the teenage tantrums and boy trouble, and she watched her little girls blossom into individual, confident young women. She has loved every minute.
