In his first major work since *The 7 Habits of Highly Effective People*, Steven R. Covey presents a practical and philosophical guide to solving the problems--large and small, mundane and extraordinary--that confront all families and strong communities. By offering revealing anecdotes about ordinary people as well as helpful suggestions about changing everyday behavior, *The 7 Habits of Highly Effective Families* shows how and why to have family meetings, the importance of keeping promises, how to balance individual and family needs, and how to move from dependence to interdependence. *The 7 Habits of Highly Effective Families* is an invaluable guidebook to the welfare of families everywhere.
