The Late Great United States: What Bible Prophecy Reveals About America's Last Days Mark Hitchcock

Is it possible the United States, a superpower without peer in history, might not be a key player as the world makes its way down the road to the Battle of Armageddon?

This is the central question explored by prophecy expert Mark Hitchcock in *The Late Great United States*, a fascinating behind-the-headlines look at numerous current events and how they relate to what the Bible says about the last days.

Americans are accustomed to seeing their country center stage as a world power, but as Hitchcock carefully details, this may not be the case in *the* final scene. Based on extensive research of the Bible and other sources, *The Late Great United States* provides compelling and often surprising answers to questions like these:

- Does the Bible say anything about America in the last days?
- How could the U.S. fit into God's prophetic plan?
- Will America survive?
- Might the anti-Christ come from America?
- Could America's addiction to oil be her undoing?
- Will America be destroyed by a nuclear attack?
- Could America fall from within as a result of moral corruption?
- Is America still a "blessed" nation?
- How should individual Christians respond to a world in chaos?

Regardless of America's final fate and the outcome of dire events at the end of the age, Hitchcock urges us to find our hope in a God who will not forsake us—no matter what cataclysms we experience on earth.
