Eric Rentschler

The Use and Abuse of Cinema: German Legacies from the Weimar Era to the Present (Film and Culture Series) Eric Rentschler

Eric Rentschler explores the screen fantasies and spectacles that derive from Germany's fraught modern experience and follows the traces of these sights and sounds to the postmillennial present. Each chapter contains a stirring minidrama, discussing prominent critics and theorists such as Siegfried Kracauer and Rudolf Arnheim; key New German directors such as Rainer Werner Fassbinder and Alexander Kluge; films from the so-called Berlin School, particularly those of Christoph Hochhäusler, Thomas Arslan, and Christian Petzold; and seminal genres such as the mountain film, the early sound musical, the postwar rubble film, and recent heritage cinema. Rentschler balances history and theory throughout his close readings.
