The Washingtons: A Family History: Volume 3: Royal Descents of the Presidential Branch Justin Glenn

This *Royal Descents* supplement is an outgrowth of the author's multi-volume family history of the "Presidential Branch" of the Washingtons. That work collects the descendants of the immigrant John Washington who settled in Westmoreland Co., Va., in 1657, married Anne Pope, and became the great-grandfather of President George Washington. The *Royal Descents* traces the ancestry of the early Virginia members of this "Presidential Branch" back in time to the aristocracy and nobility of England and continental Europe, including the Plantagenet dynasty, William the Conqueror, Alfred the Great, Charles Martel, and Charlemagne.
