## **Two Red Feathers in the Hat of the Sun** Jacquelyn Millay

I felt prompted to share the poems and photos in this book after a wonderful, sweet visit from my daughter across the veil. This happened on December 20, 2014. Phia, my daughter, and I have been communicating since the day of her funeral in 2007.

The photos are energized with the Sun's love for all of us. These colorful, orb-filled pictures began happening around the March 2014 equinox. I've been studying with the Itza Mayan Elder, Hunbatz Men, and have a living, loving relationship with the beingness of our Sun as a "mystic educator." The groundwork for this was well established during a cross-country, sacred pilgrimage in 2011, with Hunbatz Men. The connection here is that Phia was with us in spirit during this celebration of anchoring in the new Sun's new energies.
