Colombia, laboratorio de embrujos (Investigación) (Spanish Edition) Hernando Calvo Ospina

La violencia en Colombia, consecuencia de la intransigencia política del Estado y de las enormes desigualdades sociales, es investigada en la presente obra a través de múltiples documentos y enmarcada en una historia que se remonta al siglo XIX. Se suceden los acontecimientos más determinantes en los que la voraz oligarquía nacional, Estados Unidos y ciertas potencias europeas, han intentado subyugar a un pueblo con el objetivo de apoderarse de sus inmensas riquezas naturales. Sin embargo, un importante sector de sus gentes ha reaccionado adoptando las más diversas formas de lucha y convirtiendo la violencia en una especialización, en un pretexto. Si en un pasado fueron las tropas oficiales las que arrasaban y sembraban la barbarie, ahora son los paramilitares, hijos de aquéllas. El poder y la economía del narcotráfico, sombra del presente, convive en matrimonio permanente con un Estado que dice combatirlo. Como asegura el ex funcionario del Departamento de Estado e investigador William Blum, «el libro describe perfectamente la complicidad de Washington en la utilización del terrorismo y el tráfico de drogas para que el gobierno colombiano lleve la verdadera guerra: combatir el comunismo».
