**Historia del agrarismo en México (Problemas De Mexico) (Spanish Edition)** Antonio Díaz Soto y Gama Antonio Díaz Soto y Gama inicia a la edad de veinte años su destacada trayectoria política al fundar el Partido Liberal Potosino con Camilo Arriaga y los hermanos Flores Magón, en 1900. Este partido fue la primera organización civil dedicada a combatir a la dictadura de Porfirio Díaz. Una vez triunfante la Revolución de 1910, Soto y Gama participa en la creación de la Casa del Obrero Mundial, y luego se integra al zapatismo, donde desempeñó un destacado papel junto al Caudillo del Sur. A principios de los veinte, ya como líder del Partido Nacional Agrarista y brillante parlamentario, colabora estrechamente con el Presidente Álvaro Obregón en la puesta en marcha de un ambicioso proyecto de reparto agrario. Más tarde se separa del círculo revolucionario y participa activamente a favor de los candidatos presidenciales opositores Villarreal, Almazán y Padilla. Ya en su madurez, y esgrimiendo una ideología anticomunista y católica, es un crítico implacable del sistema priísta y de sus políticas en materia agraria. Historia del agrarismo en México recoge su visión acerca de los orígenes y evolución de los problemas agrarios del país, así como las posturas al respecto de pensadores, activistas y gobernantes. Obra inédita, escrita a principios de los cuarenta por encargo del secretario de Educación Octavio Véjar Vázquez, inexplicablemente desapareció después de entregarse a su destinatario hasta que Pedro Castro descubrió los manuscritos originales en el archivo de la familia. En ellos se revela una inigualable cultura histórica y legal, y la experiencia personal de Soto y Gama como promotor del agrarismo.
