The official memoir of Margo O'Donnell, legendary Irish Country Music singer For fifty years now the name 'Margo' has been synonymous with everything that is positive and enriching in Country and Irish music. Blessed with an instantly recognisable voice, a voice unlike any other in the music business, the Donegal-born singer, despite the ever changing musical trends, has remained a star attraction, much loved by her fans, not only in Ireland and Britain, but also in the USA, Canada, Australia and other far destinations. She still possesses an infectious enthusiasm for performing and recording that she had in those very early days with The Keynotes. This is the story of her life, the successes and difficult times, in her own words.
