Mechanical and Electrical Systems for Construction Managers Test Bank ATP Staff

Mechanical and Electrical Systems for Construction Managers Test Bank contains a collection of assessment questions based on key learning objectives and content presented in each chapter of the textbook. The Test Bank questions are organized by chapter and include true/false, multiple-choice, and completion questions.

Test Bank questions are written in a format that allows them to be easily imported into a word-processing software application, an online learning management system such as Blackboard, or a test-development software application such as the ExamView® Assessment Suite.

A step-by-step tutorial video provided on the Test Bank CD-ROM demonstrates how to import the Test Bank questions into the ExamView® Assessment Suite to generate custom assessments.
