Crosspicking is a stunning and beautiful guitar technique played with a flatpick. It has a unique sound that in some ways mimics a three-finger guitar or five-string banjo roll yet is completely different from either. "Old-Time Gospel Crosspicking Guitar Solos," aimed at intermediate guitar players, includes 30 of the most popular and best loved traditional Gospel Songs. These solos will make a delightful contribution to any guitarist's repertoire. Chords, melodies (in tablature and standard notation) and lyrics are presented, as well as extensive instruction in the crosspicking style. Recordings of every song at both slow and regular speeds are included in the accompanying audio.
