John Maxtone-Graham

Titanic Tragedy: A New Look at the Lost Liner John Maxtone-Graham

“Maxtone-Graham’s take on the Titanic will be catnip to the ship’s dedicated buffs.”—*Publishers Weekly*

This is a book unlike any other. Rather than offering simply a detailed retelling of the *Titanic* sinking on her maiden voyage, John Maxtone-Graham devotes his considerable knowledge and impeccable prose to a discussion of salient, provocative, and rarely investigated components of the story, including dramatic survivors’ accounts of the events of the fateful night, the role of newly in-vented wireless telecommunication in the disaster, the construction and its ramifications at the famous Harland and Wolff shipyard in Belfast, and the dawn rendezvous with the rescue ship *Carpathia*. Richly written and vividly detailed, this is the book *Titanic* buffs have been waiting for.
