Meet Jana Lanning: A recent college graduate who can't seem to get a grip on life. All of her plans for the future have fallen apart within two weeks of graduation. The only comfort she finds is in a mysterious music box sent to her by a friend. At first she looks to it for comforting memories of her past, but soon she's having strange dreams of a life where she's the queen of a world where everything she desires comes to pass. It seems ideal until elements of reality and her dream world start to merge, leaving her ill and confused. When she's confronted by attacks in both worlds, she must face her demons and choose which reality she prefers; and what price she'll pay to keep it.
