Audubon Nature Calendar 2011 Workman Publishing

It's nature—pristine, majestic, diverse, soul-soothing—North American style. Sunrise illuminates the stone formations in Bryce Canyon National Park. A summer mist settles over Moose Pond and Explorer Glacier in Alaska's Portage Valley. A stand of big-leaf maples is carpeted with sword ferns in Olympic National Park, Washington. Plus a blanket of columbine in Silver Creek Basin, Colorado; Saguaro and teddy bear cholla in Arizona's Tucson Mountains; the banks of the Snake River swathed in fall colors; a sunset in Great Sand Dunes National Park. Every one of these full-color images captures an irreplaceable national treasure. The calendar is printed on stock with 30% postconsumer waste content and comes with a 2011 desk calendar easel.
