## **Counting Crows** Kathi Appelt

Help hungry crows avoid a feline foe in this clever concept book from the author of *The True Blue Scouts of Sugar Man Swamp* and *The Underneath*.

One, two, three, crows in a tree, bedecked in red scarves and hungry as can be. So they fly out of their nest with snacking in mind, and snack they do. Snack one, snack two, snack three—all the way to a dozen! But before they have time to complain about bellyaches, they have a bigger problem: a cat has been eyeing them...as potential snacks! Can these well-fed crows become well-FLED crows? Read and find out in this counting book from Newbery Finalist and two-time National Book Award Nominee Kathi Appelt, with spot-on illustrations from Rob Dunlavey. It's the cat's meow!
