Economic Development and GIS

J. M. Pogodzinski, Richard M. Kos

Economic Development and GIS J. M. Pogodzinski, Richard M. Kos

Economic Development and GIS shows why geographic information system (GIS) software is an essential tool for economic development planning and analysis. The book describes policy problems in economic development then presents methods and techniques to solve them with GIS. *Economic Development and GIS* uses examples from Esri Business Analyst™ and ArcGIS software to explain the value of GIS in economic development decision making.
