#### **Jacob Florence:**

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's heart or real their interest. They just do what the professor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Pathology of Laboratory Rodents and Rabbits can make you feel more interested to read.
