Taming the Country Star (Hometown Heroes) Margo Bond Collins

He'll do anything to win her heart. She'll do anything to keep him away.

Country star Cole Grayson is in town, and Kylie Andrews is less than thrilled. As if months of changing the radio station and tearing down his posters weren't bad enough, now she has to deal with a town of fans swarming toward the man who deceived her the year before. But when Kylie's eyes meet Cole's again, she can't deny the electric chemistry that drew her to him the first time around.

Cole Grayson is on a mission. Ever since Kylie left him, he hasn't been able to forget her sweet country smile. After writing a song just for her, he sets off for her hometown to prove he's not the player she thinks he is. But as much as Cole can't forget her, Kylie wonders if she can forgive him.
