Josephine Reilly is a typical young mother, striving to do what is best for her family in the suburbs of St. Paul, Minnesota. Declan, her ambitious and talented husband, has a thriving career as a corporate lawyer. On the surface, life could not appear more perfect. Yet, Josie has an unrealized gift, one that has haunted her since the drowning death of a childhood friend. Josie is a messenger, as were her mother and grandmother before her, carrying messages from the dead to the living through dreams, visions and telepathy. For years, Josie suppresses her gift but when her mother dies, she is unable to ignore it any longer. Upon exploring her ability, she finds she has underestimated the dangers in channeling the dead when those she loves become targets of an invisible evil. Her sanity comes into question and she is at risk of losing everything she holds dear. Then fate places Dr. Andrew Chase in Josie's path, a healer of supernatural capabilities. Only he hasn't come to prevent her fall . . . *The Uncommitted* is a compelling tale of the spiritual struggle within us and of the realities beyond our physical sight.
