Amarrados Pelo Destino (Portuguese Edition) Ramiro Alves

Pode uma pessoa já nascer predestinada a outra? Pode uma amarração de amor - esotérica - dar certo? Kíria e Michel nasceram numa pequena cidade do interior de Altinenses. Município de porte reduzido tinha uma mercearia, o boteco do Pavão, o depósito de materiais de construção do Nelsom e a estreita farmácia do Senhor Edgar, muita vezes também médico do lugarejo. Para assistir às aulas, as crianças dependiam de um carro de bois, gentilmente cedido pelo Senhor Nelsom, também utilizado para fazer entregas. Kíria e Michel, ela com quatro anos a menos, cresceram nas ruas empoeiradas e barrentas do bairro, cujas residências, sem muros nem portões, eram circundadas por mamoneiras, árvores frutíferas silvestres e outras vegetações. Que infância maravilhosa! Longe da poluição, das drogas, da violência cotidiana. Brinquedos adquiridos em lojas? Era privilégio de pouquíssimos - e no Natal -, por isso abundavam a criatividade e as brincadeiras de rua: pique-latinha, taco, amarelinha, pião, bolinha de gude, pega-pega e tantas outras saudáveis e alegres. Pipas? Cada um fazia a sua; quando não, compravam-nas de outros garotos, mas eram pouquíssimos os clientes. Duas latinhas de leite Ninho, com alguns arames a juntá-las, estrategicamente, transformavam-se em carrinhos. Namoro? Tinha aquela brincadeirainha de colocar um lacinho no dedo anelar. Então, quando se aproximava da pessoa almejada, jogava-se esse lacinho atrás dela. E foi assim, que na puberdade, Kíria e Michel, ensaiaram um namorico, sem maiores consequências e futuro. Depois desse tempo, pouco se viram. Kíria, que na infância e adolescência fora um patinho feio, à medida que ultrapassava os 18 anos, tornava-se uma mulher fantasticamente bela, atraente, sensual e sedutora. Essas qualidades físicas, persuadida por um tio da capital, fizeram-na tentar a vida dos holofotes. Michel, que sempre fora dedicado aos estudos e ao trabalho, pois era sua meta incondicional melhorar a vida dele e de seus pais, já se fora antes dali. Trabalhava de dia como eletricitista e, à noite, cursava Direito. Mas o destino quis que suas vidas se reencontrassem, em situação sentimental não muito favorável aos dois. E aí começou a história envolvendo-os num perigoso e aparente triângulo amoroso.
