## **Clinical Protocols in Obstetrics and Gynecology, Third Edition** John E. Turrentine

Expanded and updated, the new edition of the bestselling Clinical Protocols in Obstetrics and Gynecology is the definitive quick-reference for use in office practice and hospital settings. With information drawn from ACOG technical bulletins, OB/GYN publications, articles, textbooks, computer sources, and the author's vast personal experience, outlines of more than 400 clinical protocols help ensure that everyone on the team is on the same page.

Flowcharts and algorithms make common problems seem simpler. Tables and decision trees make the information easy to refer to when running from room to room during a busy day in the office or hospital. This complete, up-to-date coverage makes Clinical Protocols in Obstetrics and Gynecology, Third Edition the best available study guide for board certification and a complete reference for busy obstetricians and gynecologists.
