**Hijos de la roca (Latitud) (Spanish Edition)** Luis González Sarmiento

El texto sienta sus bases en el género de no ficción y desde allí nos presenta personajes extraordinarios a través de una mirada que los humaniza y los pone a la altura de cualquiera que lucha por alcanzar un sueño. Acompañan a las ocho crónicas del autor ilustraciones de Miguel Bustos y José Rosero, jóvenes artistas colombianos que presentan en un formato cercano al comic una mirada novedosa sobre estas historias sobre la montaña y la escalada.
