**La historia oculta del régimen militar (Spanish Edition)** Ascanio Cavallo, Manuel Salazar, Óscar Sepúlveda

La Historia Oculta del Régimen Militar es bastante más que una mina de información detallada e irrefutable a estas alturas. Retrata una época, un clima, que va de lo más negro a lo más gris (...). Es una obra que, además, opera como historia y periodismo a la vez, precisamente porque desmiente sus diferencias disciplinarias. Por el contrario, confirma que se pueden hacer ambos a un mismo tiempo si uno se adentra en el tiempo corto y se le investiga contemporánea o contiguamente a los hechos mismos. Se trata también de una obra valiente, sin pretensiones de ser definitiva, hecha en circunstancias muy límites, intuyendo de paso la fuerza de un momento histórico trascendental. Un momento en tránsito que auguraba tanto una nueva época histórica como periodística. En fin, un logro notable que sólo puede atribuirse a la fina y aguda sensibilidad de sus autores. Más no se puede pedir y agradecer de un libro y reflexión
