One Again: A True Story of a Different Kind of Forgiveness Linda Jean McNabb

An inspirational memoir, *One Again* is the story of Linda McNabb, who began life with a distant and abusive father, was molested by a relative, and was gang-raped at the age of thirteen. After such a harsh life, most people would give up. McNabb did—for a while.

After years of self-destructive behavior, McNabb found herself in Hawaii, hiking up a mountain. With time to reflect, making slow progress along the trail, McNabb discovered the secret of forgiveness. You only get one life. Don't waste it. Become a catalyst for change. Let your wounds heal and heal the wounds of others. Become one again.
