## **Open Road's Hawaii Guide** Rachel Christmas Derrick

An award-winning travel guide alerts Hawaii's many visitors to the best-kept secrets and all the essentials of this island paradise

- Hawaii receives over 6 million visitors each year, including more than 3.5 million Americans
- Named one of the three best American and Canadian guidebooks by the Lowell Thomas Travel Journalism Awards

Formerly a best-selling Fielding's Guide, Rachel Christmas Derrick's award-winning work is now an Open Road publication. Newly revised, it still introduces Hawaii's many visitors to little-known sights, unexpected adventures, and familiar pleasures while steering them toward the best attractions.

Each of Hawaii's main islands is covered thoroughly, along with two other islands rarely mentioned in guidebooks: once forbidden Niihau, where travelers can experience true island living, and Kahoolawe, peppered with ancient temples. Featuring a full range of facilities and activities, Hawaii Guide is packed with detailed information on lodgings, restaurants, shops of all kinds, sights, events, and entertainment, plus natural attractions and adventure opportunities.

Derrick's intimate knowledge of the islands, conveyed in an engaging conversational style, provides a fresh perspective on Hawaii's people, culture, and history. Readers are privy to clever tips, such as how to mail unboxed coconuts to friends back home, which seats not to take during a helicopter ride, where to spot whales from shore, and even how to find a secluded green sand beach! Helpful hints for physically challenged travelers, entries like Budget Travel, Escape, Luxury, Singles, and Unusual Sports, and a mini-course on the Hawaiian language complete this thorough guide.

### From reader reviews:

#### **Thomas Deleon:**

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each guide has different aim or even goal; it means that publication has different type. Some people experience enjoy to spend their time and energy to read a book. They are reading whatever they get because their hobby is actually reading a book. Think about the person who don't like reading a book? Sometime, person feel need book once they found difficult problem or exercise. Well, probably you will need this Open Road's Hawaii Guide.

#### **Helen Williams:**

As people who live in the particular modest era should be up-date about what going on or facts even knowledge to make these keep up with the era that is always change and move ahead. Some of you maybe will certainly update themselves by studying books. It is a good choice for you but the problems coming to anyone is you don't know what one you should start with. This Open Road's Hawaii Guide is our recommendation to cause you to keep up with the world. Why, because book serves what you want and need in this era.

#### **Rachel Leadbetter:**

A lot of people always spent their particular free time to vacation or even go to the outside with them family or their friend. Did you know? Many a lot of people spent that they free time just watching TV, or perhaps playing video games all day long. If you need to try to find a new activity here is look different you can read any book. It is really fun for yourself. If you enjoy the book that you read you can spent 24 hours a day to reading a publication. The book Open Road's Hawaii Guide it is extremely good to read. There are a lot of folks that recommended this book. They were enjoying reading this book. In the event you did not have enough space to develop this book you can buy the e-book. You can m0ore quickly to read this book from a smart phone. The price is not to fund but this book offers high quality.

#### **Mark York:**

As a university student exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Open Road's Hawaii Guide can make you sense more interested to read.
