Oscar Wilde's Stories for All Ages Oscar Wilde

One of the world's best loved presenters meets one of the world's greatest authors in this beautiful selection of timeless, haunting stories. Vividly brought to life through abundant illustrations and Stephen's masterly introductions, Oscar Wilde's short stories are here made accessible to an entirely new generation.

Whether you know it or not, the stories in this book are familiar. Like old friends whose charm and warmth never fade, Oscar Wilde's short stories have enchanted generations of readers, and this beautiful book makes them accessible to an entirely new readership.

Selected and presented by one of Wilde's biggest fans, the book includes a foreword from Stephen Fry, who will also supply short introductions to the stories themselves, explaining why they mean so much to him and why they should mean a lot to you too.

Meet the selfish giant, whose garden was cloaked in perpetual winter until he allowed the children to enter and play, the happy prince whose statue stood overlooking his city, who gave the rubies and sapphires embedded in his eyes and clothing to feed the poor, and the tiny swallow who helped him. And let's not forget the remarkable rocket who was so convinced that he would be the brightest, most remarkable rocket of all, yet who ended up in a ditch. There's also the Canterville ghost, so inept at being scary that every attempt to spook his American visitors results in failure.

Stephen Fry has always been passionate about Oscar Wilde's writing but he has a particular fondness for his short stories. In this beautifully illustrated book he shares with us what each story means to him and what he feels the reader can take away with them, whether they're five or fifty years old. As well as a general introduction, Stephen offers introductions to the stories themselves, taking the reader through his selection. Illustrated by Nicole Stewart, stunning artwork accompanies each story to give shape to the reader's imagination.

Whether you are buying this for yourself, for your wife, your son or daughter, for your nephew, your niece, your mother, your brother or your sister, the book will be a gift that you or they will cherish forever and return to time and time again. These are stories for adults and children of all ages, for all time.
