Alcides Arguedas

Raza de bronce (Spanish Edition) Alcides Arguedas

Señor, deja que diga la gloria de tu raza,
la gloria de los hombres de bronce, cuya maza
melló de tantos yelmos y escudos la osadía:
¡oh caballeros tigres!, ¡oh caballeros leones!,
¡oh! ¡caballeros águilas!, os traigo mis canciones;
¡oh enorme raza muerta!, te traigo mi elegía.

Amado Nervo

Con *Raza de bronce* (1919), Alcides Arguedas inició la corriente literaria denominada «neoindigenismo», que retrata la realidad social, política, económica y cultural de los pueblos originarios de América Latina. La intención del autor es plasmar el dilema y enfrentamiento de las identidades y sociedades caracterizadas por la heterogeneidad cultural. Con un trasfondo de evidente denuncia social, *Raza de bronce* es una de las primeras novelas latinoamericanas que narra la vida de los indígenas del altiplano de Bolivia.

El destacado hispanista Ernest Martinenche, profesor de la Sorbona, nos comenta de *Raza de bronce*: «Los tipos que viven o vegetan sobre esta tierra, ya fecunda, ya ingrata, parecen pintados con no menor justeza: poco a poco entramos en sus miserables moradas, en sus supersticiones. Los hechos solos hablan en su impasible lenguaje, más exasperante que las protestas más violentas».

Many of us recommend that straight away because this reserve has good vocabulary that can increase your knowledge in vocab, easy to understand, bit entertaining however delivering the information. The author giving his/her effort to get every word into delight arrangement in writing Raza de bronce (Spanish Edition) although doesn't forget the main level, giving the reader the hottest along with based confirm resource data that maybe you can be considered one of it. This great information may drawn you into completely new stage of crucial pondering.

Calvin Copher:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Raza de bronce (Spanish Edition) can make you experience more interested to read.
