## **The Many-Splendored Fishes of Hawaii** Gar Goodson

These attractive, pocket-sized guides for fish watchers have been carefully written by Goodson and profusely illustrated in striking water colors by Phillip Weisgerber. Although designed for divers, fishers, aquarists and other nonprofessionals, these little books will undoubtedly find their way on to the shelves of many ichthyologists who will value them as quick references and for providing life-like, color renditions of many fish species found in American coastal waters. -- Copeia
