A Life Of General Robert E. Lee John Esten Cooke

John Esten Cooke's *A Life of General Robert E. Lee* is a biography of the venerable commander of the army of the Confederate States of America.

Offered a commission in the Union army by President Lincoln in 1861, the distinguished career officer and combat engineer opted instead to follow his home state of Virginia out of the Union. Lee quickly developed a reputation as a gifted battlefield tactician, defeating larger Northern forces again and again, although this talent was not enough to overcome the industrial and financial strengths of the North. Today, Lee is a much admired military figure and continues to be as revered in the North as he was in the South.
