American Savage: Insights, Sights, and Fights on Faith, Sex, Love, and Politics

Dan Savage

American Savage: Insights, Sights, and Fights on Faith, Sex, Love, and Politics Dan Savage

On the heels of his Emmy-winning It Gets Better campaign, columnist and provocateur Dan Savage weighs in on such diverse issues as healthcare, gun control, and marriage equality with characteristic straight talk and humor.

Dan Savage is famous--and to some, infamous--for many reasons. To name just a few: he's the author of America's leading sex advice column, the frank and expletive-filled "Savage Love;" co-founder of the Emmy Award-winning "It Gets Better Project," a YouTube campaign aimed at LGBT youth that swept the globe in 2010; and he wrote the groundbreaking 1999 memoir *The Kid* about adopting a son with his partner (now husband) Terry, which helped inspire same-sex couples nationwide to adopt.

Dan has long been an advocate for marriage equality and LGBT rights, and *AMERICAN SAVAGE* contains some of his most personal and reflective essays on those subjects to date. He also explains, with his trademark humor and honesty:

- Why assault weapons should be banned, but why guns should be allowed in the U.S. capitol
- Why Obamacare, as good as it is, is "still kinda evil"
- Why straight people should have straight 'pride' parades too
- Why feminists are wrong about Halloween
- Why the Bible is "only as good and decent as the person reading it"
- Why public school sex-ed is more like "sex dread"
- Why the gay marriage debate isn't a zero sum game: nothing has been taken from straight couples in states where all couples can marry

In a chapter called "Bigot Christmas," Dan also tells the behind-the-scenes story of his famous recent family dinner and marriage equality debate with Brian Brown, head of the National Organization for Marriage.
