Milan Brooks, a fashion buyer with a chip on her shoulder, has been through her share of cheating, disrespectful men. In most people's books she'd be rated a true dime, but she still hasn't been lucky enough to find a loyal man. When a chance encounter with a childhood friend turns into a promising relationship, Milan thinks things might be different this time. Unfortunately, her younger sister steps in with plans of her own.

Shekia feels nothing but envy when she looks at her sister. She is just as beautiful as Milan, but lacks confidence. Milan wants to get closer to her sister, but with jealousy and rage brewing in her heart, Shekia pushes her away. She's tired of playing in Milan's shadow, and has every intention of taking her place. Sapphire has struggled with insecurities most of her life, but thinks she has finally figured it out. She's working as a dancer at a local strip club to pay her way through college, and though she isn't looking for a man, Mr. Right has fallen into her lap. She's on cloud nine, until she realizes his true colors. Feeling trapped, she makes one bad decision after another, altering the course of her life.

In Hell on Heels, you will watch the lives of these three women collide, leading to devastating consequences. The twists and turns will catch you off guard and blow your mind. Reminiscent of Brittani's debut novel, Daddy's Little Girl, expect the unexpected, because nothing is what it seems.
