It's no secret: something has happened to America's families. Dramatic shifts in our culture mean that what was once an acceptable way to produce mature, capable adults has now all but disappeared. In *Rite of Passage Parenting*, family expert Walker Moore explains how that happened. And after concisely assessing the problem, Moore teaches you how to build into your children's lives the essential experiences every child needs: (1) an authentic Rite of Passage, (2) Significant Tasks, (3) Logical Consequences, and (4) Grace Deposits from parents, grandparents, and other caring adults.

Walker Moore writes from years of experience as a minister, family speaker, youth culture specialist, and father. He knows well the damage to self-reliance, self-worth, values foundation, and identity that missing out on these essential experiences can cause. In *Rite of Passage Parenting*, he shows you how to prevent the damage and help your children move toward adulthood in a healthy way.

If you are concerned about the effects of the current cultural chaos; if you notice in your children a lack of responsibility, the lack of a good work ethic, disrespect for authority; if you are worried that your children may experiment with false rites of passage-profanity, smoking, drugs, alcohol, body piercing, or sex-let Walker Moore show you how to provide the four essential experiences most children are missing.
