A Still More Excellent Way: How St. Paul Points Us to Jesus Joseph Durepos

A Still More Excellent Way encourages and inspires readers through 52 brief selections from Paul's writings. Each Scripture selection—short enough to be easily memorized—is followed by a story or meditation that supports the verses. And although the apostle Paul evangelized in the first-century Roman world, author Joseph Durepos uses plenty of twenty-first-century cultural references to make the material highly relevant for people today.

Equally appropriate for personal reflection or small-group study, *A Still More Excellent Way* is an excellent opportunity for anyone to draw closer to Jesus through the unabashedly Christ-centered message of St. Paul.
