As a Grand Prize winner of the Beverly Hills Book Award, Psychiatrist Susan L. Edelman unlocks the mystery of why women don't get what they want from men and changes the dating game. She shows women how to reclaim their power by learning what works best for them—instead of what they're programmed to believe is “normal” by our culture. Today's dating culture is a minefield. With tricky dos and don'ts and endless conflicting strategies, women are more confused than ever. You could be hurting yourself and not even know it, but Dr. Edelman says it's not your fault.

Twenty-nine years of listening to the deepest secrets of patients has given Dr. Edelman a provocative and practical perspective that will question everything you think you knew. She says dating doesn't have to be filled with angst and disappointment anymore.

Dr. Edelman will give you the tools to date on your own terms, enjoy the process, and find happiness. Yes, all that is possible with Dr. Edelman's transformative method. Join the revolution. Be your own Brand of Sexy.
