Book four of The Mindhunters

Walking away from sexy Detective Diego Sandoval was one of the toughest things security specialist Becca Haney ever had to do. But her past is a direct threat to his future, to the career he's working so hard to rebuild. Now, with a witness from a horrific case implicating Diego, Becca must decide whether to listen to her head or her heart.

Diego is a big-city lawman used to cracking the hardest cases, but he'll never understand why Becca ended their passionate affair. When he's assigned to help keep her safe from a human trafficking ring, he's determined to stay by her side and learn about the woman behind the passion—scars and all.

But Becca has another admirer. Known only as "the Fan," he believes he's the perfect partner for her—and he'll kill to prove it. When the stakes are raised in the killer's deadly game, Diego will be called upon to save lives—including Becca's.
