Love Alone: Eighteen Elegies for Rog Paul Monette

Paul Monette's fierce and arresting collection of poems on the death of his partner from AIDS

Following his partner Roger Horwitz's death from AIDS in 1986, Paul Monette threw himself into these elegies. Writing them, he says, "quite literally kept me alive." Both beautifully written and deeply affecting, every poem is full of anger, sorrow, tenderness, and a palpable sense of grief. With graceful language and emotional acuity, Paul Monette captures the enormity of a loss that ravaged a generation. But even more than they are about tragedy, these poems are about love. Each moving line is full of love for one who is no longer there, but whose presence is still achingly felt at every turn. *Love Alone* is remarkable for its honesty, its passion, and its depth.

This ebook features an illustrated biography of Paul Monette including rare images and never-before-seen documents from the Paul Monette papers of the UCLA Library Special Collections.
