This book gets you to that result quickly and effectively. Though this book is not a developer guide, various examples in the book will help developers to extend Alfresco functionality and to integrate Alfresco with external systems. The book takes a step-by-step, practical approach and is filled with examples and illustrations. This book is written for a wide audience that includes teachers, system administrators, and first time developers. It will also appeal to the Sakai open source community, potential community members, and education's decision makers.
