Boomer knows something's up the day a shiny new bowl appears next to his, but imagine Boomer's surprise when he finds himself nose to nose with a new puppy! Just when Boomer thinks he's no longer top dog, he discovers there's room for two, and that the puppy is more than a new sibling—he's a new friend. *Boomer's Big Surprise* is filled with the same warmth and humor as the first two books in the Boomer series, and will have special appeal to any child facing the arrival of a new baby. Plus, this is a fixed-format version of the book, which looks nearly identical to the print version.
