## **Investigative Reporting: From Premise to Publication** Marcy Burstiner

This thorough and engaging text gives students the confidence they need to handle any investigative reporting assignment, while helping them produce demonstrated results. It features a step-by-step process that covers the whole investigative process and keeps students on track to complete stories of any size. The book answers the questions that students may have, such as What do I do when a source won't talk? How can I find the right documents to support my story? How can I present this story online? and How can a spreadsheet keep it all from falling apart? *Investigative Reporting* contains full stories and timely examples from both professionals and students. Each chapter has exercises to help students put their ideas into practice and develop investigative reporting abilities, along with Web links to online resources (including public records information, computer-assisted reporting techniques and interactive investigative story examples). Using this textbook, students will move smoothly and successfully through an investigative story or team reporting project, whether for print, broadcast or the Web. **Key Features**

Tips, excerpts and full stories from both professionals and students show how to combine contemporary methods (such as crowdsourcing and distributed reporting) with classic reporting techniques.

Instructions describe how to use the Internet and other technology--as well as traditional methods--to investigate and present stories.

Project steps at the end of each chapter provide the next step in the investigation and move the story along.

An Investigative Reporting Web site provides easy access to investigative reporting Web links, checklists and other illustrations from the book, as well as spreadsheets for practice.
