Rebecca Jennings

Tomboys and bachelor girls: A lesbian history of post-war Britain 1945-71 Rebecca Jennings

Using a rich array of oral histories and archival sources, *Tomboys and bachelor girls* provides the first detailed academic study of lesbian identity and culture in post-war Britain. Described by psychiatrists as immature and neurotic, and widely ignored as taboo by mainstream society, lesbians nevertheless recognised and accepted their same-sex desire and sought out women like themselves.

Challenging the conventional picture of the post-war decades as years of austerity and conservative femininity, this book traces the emergence of a vibrant lesbian social scene in Britain, centred on the metropolitan nightclubs of post-war London, but also developing across the country, through lesbian magazines and social organisations.

This fascinating book brings to life the rich history of post-war lesbian culture for the scholarly and general reader alike.
