**Echo Chamber: Rush Limbaugh and the Conservative Media Establishment** Kathleen Hall Jamieson, Joseph N. Cappella

Kathleen Hall Jamieson and Joseph Cappella—two of the nation's foremost experts on politics and media—offers a searching analysis of the conservative media establishment, from talk radio to Fox News to the editorial page of *The Wall Street Journal*. *Echo Chamber* is the first serious account of how the conservative media arose, what it consists of, and how it operates. Jamieson and Cappella find that Limbaugh, Fox News, and *The Wall Street Journal* opinion pages create a self-protective enclave for conservatives, shielding them from other information sources and promoting highly negative views toward conservatism's political opponents. A thoughtful and incisive study, *Echo Chamber* offers the most authoritative and insightful account of this revolutionary phenomenon and its indelible effect on the American political landscape.
