The McGill Family: Ranchers in South Texas & Memories from Our Childhood Kathleen McGill, Mary Dru McGill Burns

Henry Frank McGill, a man of vision, overcame great odds to become a prominent rancher in South Texas in the early 1900's. His story, and the legacy he left to his descendants, contains numerous pictures of ranch and family life. In spite of hardship and lack of opportunity, he set out to earn his fortune by trading horses and cattle in the most dangerous area of Texas known as the Nueces Strip, which is also the home of the famous King Ranch. J. Frank Dobie, legendary Texas author, dedicated a chapter of his book, "The Longhorns", "to my good friend, Frank McGill, as good a man as he is a cow man." He was admired and respected by his peers, not only for his success in the cattle business, but perhaps even more importantly, for his integrity and generosity. Frank McGill "hitched his wagon to a star", and his life story will inspire others to do the same.
