The Peoples of Canada: A Pre-Confederation History

J. Bumsted

The Peoples of Canada: A Pre-Confederation History J. Bumsted

Ranging from first peoples (before contact with the earliest European settlers) up to Confederation in 1867, *The Peoples of Canada: A Pre-Confederation History*, Third Edition, provides an in-depth examination of Canada's history. The volume looks at pre-contact northern North America exploration in the 16th and 17th centuries; settlement in the Atlantic provinces, the St. Lawrence Valley, and New France; the growth of the political changes that brought about the confederation of the four provinces of British North America into the Dominion of Canada; and the expansion of Canada's domain, society, and economy in the 19th century. This third edition integrates extensively revised pedagogical features including timelines, end-of-chapter study questions, short chapter bibliographies, and excerpts from primary source documents. It is also supplemented by thoroughly updated ancillary materials including an Instructor's Manual, a Test Bank, PowerPoint slides, and a Student Study Guide.
