Society gossip has kept Lady Juliet Boyd out of the public eye since the suspicious death of her husband. Although she's been persuaded to accept an invitation to a summer house party, all she really wants is a quiet life, free from the attentions of any man.

But there she meets the scandalous Sebastian St. Claire, who makes her feel things, want things, *need* things she's never experienced before. Starved of affection, Juliet finds his lovemaking irresistible. But does he really want her—or just the truth behind her disgrace?
