ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Communicates college-level expectations during orientation, boot camp, and freshman seminars and sets the stage for higher student performance and greater faculty engagement.

College Orientation targets freshmen entering four-year institutions and is designed for use from college orientation programs until graduation day and beyond. It provides a roadmap for campus staff and faculty offering orientation programs to facilitate behaviors that increase retention, improve four-year graduation rates, and ultimately, reduce student loan debt. Students receive the information they need to adapt to college life and stay on track towards a degree—all the while learning behaviors that promote achievement after graduation. This comprehensive reference tool is written from an insider's point of view and has a distinct focus on promoting appropriate college conduct. It covers a multitude of topics that help students navigate the university system while learning how to adapt this information to their future workplace.
