Canadian regimental histories are war stories that provide testimony to the feats of courage and tenacity of Canadians tested in combat or engaged in the sometimes tedious regimen of peace. These regimental histories speak to the collective military heritage and legacy of the country. They are, in fact, windows on our nation and ourselves. This volume, the companion to *Establishing a Legacy*, the first volume, provides a detailed account of The Royal Canadian Regiments story from 1953 to 2008.

The RCRs history after the Korean War paralleled the growth and evolution of Canada through dangerous and trying times, from the brink of nuclear Armageddon to a freefall of global destabilization, economic catastrophe, resurging global terrorism, and the birth of transnational terror networks. The RCR contributed to the victory in the Cold War, participated in the bitter stabilization campaigns of the 1990s in the former Yugoslavia, and fought and bled heavily in the reconstruction and counter-insurgency battle in Afghanistan.
